An intensive training program designed to build the skills and experiences to become a business leader!

WHAT IS UMC?

Uniqlo Management Candidate program is designed to equip you with the skills to qualify as a Business Leader.

You will be exposed to the on-the-job education that accelerates you towards business management roles and Profit & Loss responsibility, thus accelerating the development of your management skills.

Not only you experience accelerated growth, but you will also be part of a company committed to making the world a better place.

REQUIREMENTS

- Fresh graduates in Degree/Master or less than 2 years of work experience
- Proficient in English
- Passionate to be a leader in the retail industry
- Flexibility to be relocated across Indonesia based on business needs
- Excited for working in retail hours; shift work, including weekends and public holidays
- Has a positive attitude, hard-working, flexible, and adaptable in a fast-paced environment
